

Genealogical Society of South Whidbey Island (GSSWI)

A non-profit organization derived from
a club started in August 1993.

Overview

GSSWI was formed to promote the pursuit of worldwide family history through genealogical research. Some of the benefits of membership are:

Monthly Programs

We have both in-person and zoom presentations by speakers on a wide variety of topics specific to genealogy. Whenever possible zoom programs are recorded and are available to members on our website for one month. Our programs are held from 12:45 to 3:00 p.m. on the 2nd Monday of each month and from 10:00 to 12:00 on the 3rd Tuesday of each month from September through June. The meeting location will be announced prior to the meeting date. Visitors are welcome.

Genealogy Education

Our two monthly programs are designed to educate our members about genealogical research in all it's various aspects, from vital record research to finding land, census, probate, newspaper and many other records.

Interest Groups

Special interest groups may be organized as needed depending on the interest of our membership.

We Give Back to Other Genealogists

On our website we have a searchable database containing transcriptions of headstones from every cemetery in Island County. We also have a searchable index of names for 23,000+ obituaries from local papers going back to the 1890's.

Seminars

On occasion we hold a special seminar featuring a nationally known genealogy speaker.
